B/y - about 1933

Dear Bob:

Thanks for your letter of September 26, and the material which was attached. This is most helpful to us. I feel at this time that Mr. Cusimano should not be registered with the Boy Scouts of America, if he should attempt that registration. I, therefore, feel we should set up a file for him with the little information we now have.

If you have any further information, we certainly would like it. In the meantime, we will set up a file and make up an Ineligible Volunteer Record Sheet with the little information which is available.

Thanks for your help.

Sincerely,

Paul Ernst, Director

Dear Paul:

After you read the attached letter from John Maxfield, let me know how we should proceed. As you can see, Ross Cosimano is not registered in our council and I don't know how we can gather enough information on him to place him in the Confidential file.

Please let me know what I should do at this point.

Sincerely,

RE: Possible child molestation

On July 23, 1991 I received a phone call from a Dr. Michael Barnes, [REDACTED], seeking information on a man that was Scoutmaster in 1962. He wanted to know if he was still registered and was doing this on behalf of one of his patients. After searching the files I called back and left on his answering machine the following information:

1. The man he was inquiring about, Ross Cusimano, is not currently registered with the Boy Scouts in the San Gabriel Valley council.
2. Ross Cusimano was registered one year in 1961-62 with T-453 as an assistant Scoutmaster in West Covina.

Dr. Barnes called back on July 25, 1991, but I wasn't in and on July 26, 1991 talked to him again. This time Dr. Barnes was confirming correct spelling and wanted to verify that Mr. Cusimano was not currently registered in Scouting. I told him that in this council Mr. Cusimano was not registered but that he could be somewhere else in the country, and that I didn't have immediate access to that information.

It was at this point that Dr. Barnes informed me that their was a serious problem with Mr. Cusimano. Dr. Barnes stated that he has a patient in a hospital who claims he was molested by Mr. Cusimano in 1962 when he was in that troop. Apparently this patient has been seriously traumatized by this situation and he wants to make sure that this man is not associating with any youth group at all.

I informed him that I would relay this information on to you as protocol in these situations require. I have had Jeannie check with national registration to see if Ross Cusimano is currently registered anywhere. We have not received back any information yet from them.

The Boy Scouts of America therefore recognizes the religious element in the training of the boy, but it is absolutely nonsectarian in its attitude toward that religious teaching. Its policy is that the organization or institution with which the Boy Scout is connected shall give definite attention to his religious life.

Only persons willing to subscribe to this declaration of principle shall be entitled to certificates of leadership in carrying out the Boy Scout program.
